

INNOVATION NEVER STOPS

CITIC Telecom International CPC Limited is a leading Information and Communications Technology (ICT) service provider offering innovative solutions globally. We leverage the power of technologies including 5G, AI, AR, Big Data and IoT to deliver cloud computing, connectivity, security and cloud data center solutions. Our commitment to innovation drives transformative results for major corporations and multinationals worldwide.

We offer three Management Trainee Programs 

SALES
TECHNICAL
INFORMATION SECURITY

As a high-flyer at CPC, you will have an opportunity to...

Hin Yuen - Security Consultant, Security Solutions

CPC is an exciting place for fresh graduates to start their career. Through diverse cutting edge projects, I have developed my technical skills, networked extensively and gained valuable industry experience.

Suki Tsang - Project Manager, Customer Services & Support

It was an extraordinary opportunity to expand my ICT industry knowledge. Apart from developing technical skills, I also had a chance to collaborate with colleagues from different regions.

> Global-Local Intelligent DICT Service Partner
